Make a gift through your IRA-qualified charitable distribution.

A qualified charitable distribution (QCD) is an otherwise taxable distribution from an IRA owned by an individual who is age 70 ½ or over that is paid directly from the IRA to a qualified charity such as Temple Israel. In this situation, a donor is able to save income taxes otherwise due on their required minimum distribution and TI receives the donation.

Pledges over a number of years are welcome. Please call us to discuss.

To make a gift, request a donor agreement, discuss Naming Opportunities, or to tour the construction, please contact our Development office at 646 292-9466 or eedwards@templeisraelnyc.org.
